Become a Community Caretaker

What is a Community Caretaker?

A Community Caretaker is a volunteer who gives up their spare time to help better the community. Community Caretakers can help with litter picking, painting, planting, sweeping and clearing snow. Basically, anything that benefits the local community.

The Community Caretakers will be able to access the Community Store. This is a local store holding tools, materials, equipment and protective clothing which the Community Caretakers will be registered to use for their projects.
