

Parish council- Police Report Monday 2nd June 2014.

During May 2014 174 Calls were made to Kent Police for Sandwich, within these calls there were 3 nuisance youth calls of which none are connected. No calls were made for the A256 Sandwich relating to nuisance fast motor bikes. Local officers will be visiting Adelaide café to engage with the bikers and staff.

Crimes of note

There are no current areas of reported crimes for the month of May 2014 which the council would need to be aware of. Theft from motor vehicles are still being reported in other areas although only 3 have been reported in Sandwich, over 300 vehicle crime prevention leaflets have been delivered by locals officers. There were only 3 shopliftings reported 1 of which has been detected by local officers.

Anti-social behaviour and other incidents of note

Young persons have been reported hanging around elderly persons properties late at night, only litter seems to be the issues at the moment. Local officers are patrolling the areas and have delivered leaflets designed for them to keep by their phones with the appropriate advice.

Updates of previous reported issues

Calls made to Kent Police update council. (to be explained)
