

Sandwich: Kent Police update

for December 2014

I am your neighbourhood PCSO for Sandwich Ward.

Following a number of burglaries within the Sandwich area local officers have delivered crime prevention advice leaflets in the areas affected. All residents are reminded to take precautions to prevent becoming a victim of crime. Leaflets are available and details on Kent Police web site.

Officers are making regular patrols within the town to deter any possible offences.

One call has been received relating to nuisance vehicles in the Monk's Way area, on-going enquires are being made to identify the drivers.

Within the calls made to during the past month there no calls relating to ASB in the town.
